Math 408: Geometry and Relativity – Dr Haskins
28 Feb 02, due 7 March 02

HOMEWORK 5

Your homework this week has several parts.

Part I: Read Chapter 8.

Part II: Do questions 9 from Chapter 4 and questions 1–5 and 10–11 from Chapter 8.

Part III: Start work on the material of the third self-study section (Chapter 7). These questions will be due in class on Friday March 15.
